

Original Authorized distributor certificate

Nieuw Venneep, November 4, 2016

We herewith confirm that HTI Services, 6 route de Montaigu Le Blin, 03150 ST-Gérand- Le-Puy is the Sole/Exclusive Distributors for all OPW Fluid Transfer Group LOK products in France.

These products includes:

OPW range of Autolok[®], Kamlok[®], Kamvalok[®], DryLok[™] and Epsilon[®]

HTI Services in their role as Sole/exclusive Distributor for OPW FTG LOK products is the only authorized company to provide after sales, service and training for OPW FTG products on behalf of OPW Fluid Transfer Group. HTI Service employees went through an extensive training under leadership of OPW engineers.

All after sales services and training executed by non-authorized OPW FTG distributors or third parties are at risk and cost of the customer. In this case all guarantees and warranties from OPW FTG become null and void.

Any questions with regard to the relation between HTI Services and OPW FTG shall be directed to the managing director of OPW FTG Europe BV, Mr. Harry Gilde.

Sincerely Yours

Harry Gilde
Managing Director
